

Technology Discipline Plan

Bushland ISD is devoted to the instructional and educational use of technology provided to our students. With this responsibility, students will abide by the following discipline plan outlined by Bushland ISD.

Reporting a problem/reporting if a computer is lost or stolen:

-Student must report incident/problem to Technology Staff within 5 school days.

Failure

to do so, could result in negligence resulting in a fine.

The following actions will be taken by administration according to the situation with a technology device:

Protective case not on computer

-1st offense- lunch detention

-2nd offense- 10 days without computer

-3rd offense- 30 days without computer

Forgetting device/not charged

-up to teacher if they want to allow students to be able to charge computer in room

-if not,

-1st offense- lunch detention

-2nd offense- 10 days without computer

-3rd offense- 30 days without computer

Students who have forgotten a device or charger, may **not** borrow one from the Technology Department.

Thank you for your cooperation.
